Company – Service Coordinator - Materials Handling

Established in 1978 we have 41 years of experience in the materials handling industry and pride ourselves on our extensive and versatile product and service range. We have been sole distribution partner of Heli Forklifts since 2001 for the whole of the UK

Heli Forklifts

Founded in 1958, Heli is the 7th largest materials handling manufacturers in the world. They produce 512 products and 1700 different models and sell over 160,000 units annually into 140 different countries.

Impact Group

Grant Handling is now part of the Impact Group! Established in 1985, Impact has grown to become one of the leading providers of material handling equipment in the UK. Offering only the very best, carefully chosen equipment ranges each specified to deliver what we believe is the best value for money for our customers.

Values – Service Coordinator - Materials Handling

At Grant Handling our people are our most valuable asset, we are proud to recruit and train the very best in the forklift industry. Equipping them with the skills and knowledge necessary to ensure that, no matter what our customers' need, they can handle it. Our values are:

- Empowerment
- Integrity
- Pride
- Teamwork
- Respect
- Health and Safety

Position – Service Coordinator - Materials Handling

Grant Handling are actively recruiting for a service coordinator to work within a busy depot environment. You will ideally have experience working in a similar role and industry.

You will be a key part of the service operation and be a great communicator, you will be dealing with a wide range of people both external and internal and be able to organise a busy and varied workload.

This is a cradle to grave role where you manage the process of opening jobs, communicating with customer and engineer and following this through to job completion. This is a busy, well balanced opportunity where you will have a chance to make a real difference to our customers and service offering.

Skills and Experience – Service Coordinator - Materials Handling

- Experience coordinating a field-based team of engineers
- Good communicator with the ability to speak with engineers and business managers
- Organised with the ability to prioritise
- Good attitude with the ability to stay motivated and productive
- A customer focused perspective and approach

Benefits – Service Coordinator - Materials Handling

- Competitive Basic
- Company Pension Scheme
- Health Cash Plan
